Visit to Stratfield Saye, home to the Dukes of Wellington

Booking closes on 11 July 2022

Stratfield Saye House has been the elegant, but intimate home to the Dukes of Wellington since 1817. The house and gardens offer an intriguing and informative insight into the life of the Great Duke of Wellington. We can view the fascinating collection of paintings and furniture and see the Wellington Exhibition featuring his magnificent funeral carriage and charting his military and political life.

As still a private residence Stratfield Saye offers only limited individual and group visits. Due to a backlog of bookings carried over after covid no further Group bookings are available until 2024. We are fortunate however to have been offered an advance slot in July. Numbers on the visit are limited to 32 and will be divided into groups of 8 for progressive tours of the house.

Access: Please contact me direct if you wish to join the visit and have accessibility issues and I will speak direct to the venue.
